

STATEMENT OF INTENT

---

**Name of Fund**

**Support for a Named Fund**

This commitment reflects my strong feelings of support for the mission and activities of the University of Central Missouri and the belief that financial aid is one of the keys to school excellence. It is my wish and commitment to support this named fund for the next few years reaching an endowed level in five years or less. I intend to fulfill this pledge in order to assist the university in its effort to increase financial aid assistance and to increase access to a University of Central Missouri education.
